The Gluten Free Food Program provide consumers with easily identifiable and recognizable brand marks. The GF-Dedicated and GF-Verified marks of trust help consumers find safer, more reliable gluten-free options when dining out.

GF-Dedicated certification is awarded to an establishment which is 100% gluten free and has processes in place to meet the Canadian or US regulatory requirements of producing gluten free food. This certification requires a third-party independent audit.

GF-Verified certification is awarded to an establishment that offers both gluten containing and gluten free menu options and has processes in place to prevent cross contamination to meet the Canadian or US regulatory requirements of producing gluten-free food. This certification requires a third-party independent audit.

Endorsed by: The Gluten-Free Food Program is endorsed in Canada by the Canadian Celiac Association (CCA) and la Fondation québécoise de la maladie cœliaque (FQMC) and in the USA by the National Celiac Association (NCA).
