

5 Ingredient NO bake Chocolate Pretzel Bites

Yield: 30 Prep time: 20min Additional: 30min
Total time: 50min

Ingredients

- 1 bag of GF pretzels
- 2 cups of vegan chocolate chips
- 2 Tablespoons shortening
- 1 bag of large marshmallows, with each one cut in half
- 1 jar of creamy nut butter
- Sprinkles, optional*

Instructions

1. Take a pretzel and smear a small amount of nut butter on top of it. Take one of the large marshmallows that are cut in half and place it, sticky side down, on top of the nut butter.
2. Once all of those are assembled, melt your chocolate. Place the chocolate chips and shortening in a microwave safe bowl. Microwave on high for 1 minute at a time, until everything is melted and easily stirred.
3. Drop one pretzel bite at a time into the melted chocolate, carefully coating each side. Gently lift it out of the chocolate, knocking off any excess chocolate. Set the wet pretzel bite on some wax paper until it sets up. While it's still wet, place some sprinkles on top.
4. Allow them to harden (this can be done faster if you want to place it in the fridge).
5. Enjoy--these may be kept out at room temperature, uncovered if you wish.

Notes: this recipe can be doubled to make as many as you want.
