

**This gluten-free food donation will help feed the approximately 1% of Canadians who have celiac disease along with approximately 4% of Canadians who require a gluten-free diet for other health reasons.**

**For more information about celiac disease and the gluten free diet, please contact the Canadian Celiac Association at [www.celiac.ca](http://www.celiac.ca).**

**Thank you for your donation.**

Note: CCA does not review the contents of the grocery bags prior to donation and is not responsible for any illness or product quality.
